Denis,

Our intention is to be ready to sample simultaneously from the tap and well head area on Monday, I cannot guarantee this will happen but, as I said we intend to try.

I wonder why you are concerned about which crew we plan to assign to the sample locations?

Rupert,

I just had some quick questions about next week.

- When (if at all) will Techlaw be staffed to collect samples simultaneously from the wellhead and faucet
- On Monday, I was wondering which afternoon site the crew who samples ☐ would be going too.
 - 0830 ☐
 - 1330
 - 1330

Let me know when you can so I can coordinate the Moody staff. Thanks and have a good weekend.

Denis, due to some challenges we are having we are very seriously considering canceling both afternoon appointments. I will talk with you later today.

thanks
Rich

Rupert,

Tomorrow we are scheduled to be at the Ex. 6 - Personal Privacy at 0830 and then Ex. 6 - Personal Privacy and Ex. 6 - Personal Privacy at 1330. I was wondering which afternoon appt the Ex. 6 - Personal Privacy samplers will be going to so I can coordinate Moody's field crews. Thanks.
